OF ALL THE MEDICINES KNOWN to the world, and to the profession, none have been attended with such marked appreciation by the public, and secured the approbation of the profession, on account of its extraordinary remedial powers, as "HEINITSH'S QUEEN'S DELIGHT." We

challenge the world over to produce a single instance where any other medicine has attained such popularity, in so short time, as the Queen's Delight. Twenty-five hun-dred bottles have gone forth from the establishment of FISHER & HEINITSH in one year, and the demand is still for more. From all parts of the country, we hear it is doing wonders. It cures Chill and Fever, restores the sick to health, improves the general condition of the man, and makes him a new creature.

SHALL NATURE BE SUSTAINED! To give debilitating medicines to the weak is as about as sensible as it would be to try to help a man to his feet by kicking him when he was down.

That sort of practice is going out of fashion. It has filled so many grave-yards that people no longer believe in it.

If those who are not strong by nature expect to avoid the attacks of disease, they must endeavor to acquire the vigor nece sary to resist it.

How is this to be done? Common sense suggests, by the use of invigorating medi-

Summer leaves both the body and the mind more or less exhausted. Now is the time to recruit them, and thus forestall the malarious fevers and other complaints which prostrate so many thousands every fall.

All descriptions, from a FOOT STOVE to a HOTEL COOKING RANGE. The attention of house-keepers is particularly invited to the COTTON PLANT COOKING STOVE, which is regarded as the very best now in use. The following certificates, from citizens of Columbia, are published to show the just appreciation in which they are held:

COLUMBIA, October 5, 1867.

A. Palmer, Esq.

Dear Sir: I have, for the last eighteen years, been using all the latest improved patterns of Cooking Stoves, and all of which, as you are aware, were bought at your establishment. But allow me to assure you that the last one bought of you, called the "Cotton Plant," excels all others; and I would therefore recommend to all wanting a Cooking Stove, that will give entire satisfaction to buy a "Cotton Plant," and no other. Respectfully yours.

COLUMBIA, S. C. October 21, 1867.

Columbia, S. C., October 2.,

A. Palmer, Esq.

Dear Sir: I have proved the Cotton Plant, which I purchased of you last spring, and find it just the thing—by far the best Cooking Stove that I ever had, in every respect. I cannot too strongly recommend it. Yours respectfully.

J. H. KILLIAN.

I have used the Cotton Plant Stove for I have used the Cotton Frant Stove for six or eight months, and am free to say that it bakes the best and quickest, with less fuel, than any Stove I have ever used; and I believe, from its construction, that

it will last longer than any other.

COLUMBIA, S. C., OCCOS. 2.,

A. Palmer, Esq.

Dear Sir: Having obtained from you—
and now using in my family—the Cotton
Plant Cooking Stove, I cheerfully bear testimony to its many good qualities. Its
economy in the use of fuel, the rapidity
with which it does its work, the uniformity
of its baking and cooking, make it, in my
judgment, the best Cooking Stove in
market. Yours respectfully.

EXTRACTS FROM LETTERS: "The Queen's Delight.

Extraction a letter: "It is due to you to state in this public manner, in order that the people may know the truth, that It have tried your Queen's Delight, and found it not only what you said it was—"a pur

could not eat, sleep or perform any duty whatever, such was my prostrate condition. Medicine and medical aid I had in abundance, such was my condition up to a few months since, when I began the use of your Queen's Delight. I have used two bottles, my constitution is greatly improved, my appetite is good, enjoy refreshing sleep, and am able to perform my share of daily labor."

Extract from a letter—Wonderful effect of only one bottle: "I have used only a half bottle of 'Queen's Delight' for boils and eruptions of the skin and itching humors of the blood, which annoyed me very much. I am entirely cured. I think your medicine a valuable one."

A remarkable case of liver complaint and headache cured by the use of "Heinitsh's Queen's Delight." A lady of unquestioned worth and reputation voluntarily gives testimony of the wonderful effects of this medicine. She has been from early years a martyr to readsches, caused by imperfect action of the liver, producing intense headache and pain over the eyes. She has taken only four bottles, and assures us of the perfect cure it has made. She now enjoys good health.

Still another: "During last spring, I had been trombied with a batimate chills and fover, which, when cured, left my system in a wretched condition, blood impure, and I was afflicted with an angry, and, as I at one time thought, an incurable, cutaneous eruption over my entire body. The most violent remedies suggested failed to work a cure, until, at the instance of a friend, I tried Dr. Heinitsh's Queen's Delight. Less than two bottles cured me, leaving my skin in a healthy condition. My general health is as goed as ever. For such purcoses, I have, over since my cure, unhesitatingly recommended your Queen's Delight."

Don't buy any but the right kind. All genuine Queen's Delight has the copy-right mark on the outside, and it is the only medicine which produces these wonderful cures. For sale wholesale and retail at FISHER & HEINITSH'S
